

Correction

Correction to “Cord entrapment in a footling breech presentation with decreased fetal movements”

CMAJ has been made aware of an error that occurred in the Nov. 27, 2023, issue.¹

In the Discussion section, the Society of Obstetricians and Gynaecologists of Canada’s recommendation regarding the threshold of fetal movements before seeking medical advice was wrongly attributed to a different source.

The references have been corrected at cmaj.ca.
